INTERVIEW SUMMARY

Dear Sir:

Applicant would like to thank Examiner Collins for discussing the Office Action with the undersigned via telephonic interview on June 15, 2006. During the telephonic interview, the undersigned and the Examiner discussed the restriction requirement presented in the Office Action. The undersigned and the Examiner discussed whether restriction between groups of claims that respectively included independent claims and claims dependent on the independent claims was proper.

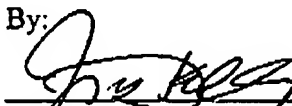

Examiner Collins indicated that he had forgotten to include form paragraph 8.12 from MPEP 809.03 in the Office Action. Examiner Collins explained that independent claims 1, 11 and 22 are linking claims within the meaning of MPEP 809.03 and, as such, would necessarily be examined irrespective of which Group of claims identified in the Office Action was selected by Applicant. The Examiner stated that with the election of Group II, independent claims 1 and 11 would be examined in addition to the elected claims pursuant to MPEP 809.03.
